

OC Vanpool User Guide

The Orange County Transportation Authority (OCTA) welcomes you to the OC Vanpool Program. It's a smart decision to share the ride to work every day while saving money and time and reducing stress and personal vehicle miles.

OCTA is a Federal Transit Administration (FTA) grant recipient of funding from the Urbanized Area Formula Program. This funding is the basis for the \$400.00 monthly subsidy we provide to eligible vanpools in the OC Vanpool Program. To remain eligible for this funding, OCTA is required to submit data monthly and annually to the National Transit Database. Most of the data required for these reports is derived from the vanpool groups. On-time, accurate reporting is necessary for the success of the OC Vanpool Program.

When you qualify for the OC Vanpool Program, it is important that you continue to do your part to receive the \$400 monthly vanpool subsidy. All vanpool groups participating in the OC Vanpool Program are required to report passenger trips and vanpool expenses by the 10th day of each month.

To begin, log in to <https://vanpools.octa.net/>. We recommend that you log in using one of the following compatible web-browsers: Windows Internet Explorer Version 8 or higher; or the latest versions of Apple's Safari, Google's Chrome or Firefox. If you are completing the monthly reporting from a mobile device, please ensure the device is updated with the most recent operating platform.

When there is a change to your vehicle, mileage cap, or monthly fee, your vanpool provider will make those changes directly to OC Vanpool. These types of changes may include:

- A. **Adjustments to Your Use Agreement with the Vanpool Provider** – Use Agreement adjustments may occur that have no impact to your vehicle. Should these adjustments occur, your vanpool provider will submit updates to OC Vanpool and it will be reflected in your account.

Notify OC Vanpool if the van you are in is different than what shows on your account.*

10. Coordinator Change. When your vehicle and route remain the same, but there is a change in the person who signs the agreement with your vanpool provider, follow this process:

- A. Contact the vanpool provider and inform them of the new Coordinator name, contact information and the preferred date for this switch to occur.
- B. The current Coordinator should continue to complete OC Vanpool reports or designate the new Coordinator as a Reporter (see Section 8. E. b.) to ensure there is no interruption of the OC Vanpool subsidy.
- C. Changes in Coordinators **do not** require a new OC Vanpool application if the general route and passengers remain the same.
- D. OC Vanpool will contact the new Coordinator to provide them with instructions on creating an OC Vanpool account or signing into their account so they can begin reporting.

11. Termination. A 30-Day written notice is generally required by your vanpool provider to terminate your vanpool. Please copy vanpool@octa.net on that notice. Remember to complete your report through the last day of your commute in this vanpool to remain eligible for any subsidy from OC Vanpool.

12. Changing Vanpool Providers. If you are switching from one vanpool provider to another, provide a 30-day notice to your existing vanpool provider. Inform OC Vanpool by email to vanpool@octa.net and include your new vanpool provider name and the date that you will begin riding in your new van.
